

# Double Twirl

Duple improper.

Music: 32 bar reels.

A1 1-8 Balance and swing neighbour.

A2 1-4 Men allemande right once and a half.  
5-8 Swing partner, finishing in lines of four facing down.

B1 1-8 Lines lead down, California twirl, return, Dixie twirl and bend the line.

B2 1-4 Circle left threequarters.  
5-8 Do-si-do neighbour and pass through.

Dixie twirl: making an arch in the middle of the line, the lady on the right hand end passes through the arch while the man on the opposite end walks across to the other side. All four retaining hands throughout. Like a California twirl for four.
