

# The Starry Gypsy

Duple improper.

Music: 32bar reels.

A1 1-4 Right hand star.  
5-8 Gypsy partner

A2 1-4 Do-si-do neighbour.  
5-8 Swing neighbour, finishing in lines of four facing down.

B1 1-8 Lines lead down, California twirl, return and second couple gate the first couple into progressed place into...

B2 1-8 Double figure eight, first couple crossing through to begin, while second couple move down the outside before crossing up.

The original version had bend the line in B1 instead of gates and the second couple crossing to start the double figure eight. The modification was suggested by Kathy Anderson to improve timing.
